**7. Practice Areas:**

Our main areas of practice are divided into four principal categories namely: Litigation, Conveyancing and Property Law, Commercial Transactions and Legal Advisory and Consultancy.

**Litigation**

We offer litigation services before Magistrates' Courts, the High Court, the Court of Appeal, the Supreme Court and the East African Court of Justice. We also provide legal representation in arbitration and mediation. In essence, we handle all aspects of criminal and civil litigations, whether contentious or non-contentions, including labour law disputes.

**Conveyancing and Property Law**

We deal with real property transactions involving sales, purchases, transfers, leases, mortgages and charges including due diligence and advice. We also offer property management services by overseeing rental payments and drawing tenancy agreements.

**Commercial Transactions**

We provide commercial drafting and syndications agreements including joint ventures. We further provide legal services in incorporation of companies, partnerships and registration of business names, societies, non-governmental organizations, cooperatives, pension funds and sports organizations. We provide legal advice on capital markets, intellectual property law, environmental law, procurement law, employment law and telecommunications. We also provide patent and trademark registration and maintenance services.

**Legal Advisory/Consultancy and Training Services**

We provide consultancy services on law and policy review in areas such as public finance and administration, Constitutional and Devolution law, land law and proprietary transactions, environmental law, energy law, agricultural law, intellectual property law, natural resources, carbon trade, regional trade and regionalism and competition law. We also provide services in drafting of laws, regulations and policies and legal audits of companies and state corporations.
